My name is Jowen Ortiz. Currently serving in the Air Force National Guard as a Cyber System Operator. Additionally, I currently attend the University of Florida in pursuit of a Cyber Security degree. I'm a person who would work for free as long as I can at least obtain some experience and knowledge from the job. In addition, I consider myself to be a hard working and enthusiastic person while working, always seeking for more in every activity I do.

Authorized to work in the US for any employer

Work Experience

Volunteer Assistant Basketball Coach

305 Sports Basketball Academy - Miami, FL
March 2016 to May 2017

Ø Assisted in various basketball camps geared towards kids ages 5-13 to teach the fundamentals of basketball.
Ø Used my experience as a student-athlete to help our student-athletes outside of practice with non basketball related issues.
Coaching players in practice and in game and being able to change things up if things were not going accordingly.

Deckhand

Al Charter Group - Fort Lauderdale, FL
January 2018 to 2019

Ø Performed scheduled vessel maintenance, cared for tools and equipment, and performed general housekeeping duties as assigned by their supervisor
Ø Built tows by handling lines and cables to tie and untie barges and boats.
Ø Adhered to company safety policy and procedures, environmental rules and governmental regulation
Ø Work under the supervision of the Captain or the Deckhand's immediate supervisor

Assistant Event Producer

Part Time Entrepreneur - San Juan, PR
Summer of 2019

Ø Worked with the Event Producer to develop event briefs and information sheets to convey the essence of each brand to all team members.
Ø Ensured accuracy and consistency of all brand assets throughout the production process.
Ø Merchandised product in all boutiques to best represent the brand and appeal to Members.

Barista/Cashier

PANNA New Latino Food - Weston, FL
November 2019 to March 2020

Front Desk Associate
Planet Fitness - Miami, FL
November 2020 to June 2021

Military Cyber System Operator
Air National Guard - United States
Present

Ø Make sure all the networks are running accordingly under DOD specifications.
Ø Defended our communications system with JBLOX Military equipment and KGs security keys.
Ø Proficient with active directory and Windows Powershell, as well as command line.
