

IT Field Technicians – Jacksonville, FL

Base Pay Rate: \$20/hour + Premium After-Hours Pay

Job Types: Full-time, Part-time, Contract, Temporary, Temp-to-Hire

Work Location: Work from Home

Cook Technology is hiring motivated IT Field Technicians ready to build real technical careers—not just take another job. Since 2000, we’ve grown by more than 100% year after year by creating strong opportunities for smart, driven people. If you want hands-on work, rapid advancement, and a clear path to leadership, this is where you start.

What You’ll Do

Complete 2–3 work orders per day (2–3 hours each) during business hours

Perform a wide range of technical tasks:

Structured cabling & low-voltage installations

PC repair, networking, and security systems

Earn 150% premium pay for after-hours service

Submit accurate documentation through online forms

Build high-performance ratings (98%+ is our benchmark) to accelerate your growth

Required Toolkit

Reliable vehicle

Smartphone with hotspot + camera

Laptop with internet access

Core tools:

Screwdriver bit set

Ratchet or cordless driver

USB to DB9 adaptor + Cisco console cable

200’+ Cat5e plenum cable

Toner/tester, RJ45/RJ11 ends + crimper

66 & 110 punch tool, fish rods, zip ties, tape

Lineman's butt set

Material reimbursement available; tool-sharing options provided.

Your Growth Path at Cook Tech

We believe in promoting from within—and quickly. Your performance determines your pace.

Field Technician – Competitive hourly + weekly pay

Lead Technician – Manage teams; earn percentage-based performance bonuses

Administration (6+ months) – Earn 20%+ revenue share on managed jobs
